The Blue Star Mothers' mission is to support our military and their families while sharing educational information and promoting patriotism. The Houston Area Chapter's primary activity is organizing and sending care packages to our brave men and women serving in combat zones and overseas. In the past 12 months, over 1,300 care packages have been sent. Other activities include participating in veteran and wounded warriors programs, as well as, homecomings and send offs of our military personnel. Blue Star Moms attend all funeral services of local fallen heroes to pay homage for paying the ultimate sacrifice and provide support to their families.

Gary Sinise Foundation Snowball Express

Gary Sinise Foundation Snowball Express serves the children of fallen military heroes. In 2017, Snowball Express became an official Gary Sinise Foundation initiative. We are committed to maintaining the wonderful traditions while finding new and exciting ways to serve our families of the fallen. One way do this is by hosting a five-day experience for 1,750+ children of the fallen and their surviving parent or guardian, each December. As a therapeutic retreat with a blend of fun and inspiring programs, these families can lean on their peers for support. This year we're bringing Snowball Express to Walt Disney World® Resort!

CreatiVets

CreatiVets' goal is to offer opportunities of relief and healing for the men and women who have sacrificed so much our country. Our purpose is to use various forms of art, including songwriting, visual arts, music and creative writing, to help disabled veterans cope with service-related trauma (i.e., post-traumatic stress, or PTS) by fostering self-expression in a way that allows them to transform their stories of trauma and struggle into an art form that can inspire and motivate continued healing.
